Interesting conferences & workshops

Flagship conferences

ACM/IEEE CCGrid <https://www.ccgrid2019.org/>

ACM SYSTOR <http://www.systor.org/>

ACM EuroSys <https://www.eurosys2019.org/>

ACM Principles and Practice of Parallel Programming (PPoPP) <http://conf.researchr.org/home/ppopp-2019>

ACM Symposium on Cloud Computing (SOCC) <https://acmsocc.github.io/2019/>

ACM International Conference on Architectural Support for Programming Languages and Operating Systems (ASPLOS) <https://asplos-conference.org/>

ACM Symposium on Operating Systems (SOSP) <http://sosp.org/>

USENIX Annual Technical Conference (ATC) <https://www.usenix.org/conference/atc19>

USENIX NSDI <https://www.usenix.org/conference/nsdi19>

USENIX Operating Systems Design and Implementation (OSDI) <https://www.usenix.org/conference/osdi18>

ACM International Symposium on High-Performance Parallel and Distributed Computing (HPDC) <http://www.hpdc.org/>

Very good conferences

IEEE International Conference on Data Engineering <https://icde2018.org>

International Conference on Parallel Computing Technologies <http://ssd.sssc.ru/conference/pact2019>

IEEE International Conference on Big Data Science and Engineering <https://forumpoint2.eventsair.com/QuickEventWebsitePortal/trustcom19/bd19>

IEEE International Symposium on Parallel and Distributed Computing <http://www.ispdc.atlarge-research.com>

IEEE BigDataService <http://www.big-dataservice.net/index.html>

IEEE International Conference on Distributed Computing Systems (ICDS) <http://icdcs2017.gatech.edu/>

BigData (Springer) <http://www.ieeebigdata.org>

IEEE International Conference on Cloud Networking (CloudNet) <http://www.ieee-cloudnet.org/>

IEEE International Conference on Parallel and Distributed Systems (ICPADS) <https://icpads.sg/>

IEEE Cluster <http://www.clustercomp.org/>

IEEE Cloud <http://www.thecloudcomputing.org>

IEEE International Conference on Cloud Computing Technology and Science (Cloudcom) <http://cyprusconferences.org/cloudcom2018/>

EuroPar (Springer) <http://www.europar.org>

IEEE International Parallel & Distributed Processing Symposium (IPDPS) <http://www.ipdps.org/>

IEEE HPCC <http://csee.hnu.edu.cn/hpcc2019>

Conference on Principles of Distributed Systems (OPODIS) <http://www.opodis.net/>

HICSS <http://hicss.hawaii.edu>

Good conferences

International Conference on Networking and Services (ICNS) <https://www.iaria.org/conferences2018/ICNS18.html>

ICA3PP (Springer) <http://www.cloud-conf.net/ica3pp2020/>

Unknown conferences

IEEE International Performance Computing and Communications Conference (IPCCC) <http://ipccc.org/>

ACM SIGPLAN International Symposium on Memory Management (ISMM) <http://www.sigplan.org/Conferences/ISMM/>

Workshops

SCRAMBL co-located with CCGrid <https://sites.google.com/site/scramblworkshop/>

ScienceCloud co-located with ACM HPDC <https://sites.google.com/view/sciencecloud2019/>

ACM SIGOPS Asia-Pacific Workshop on Systems <https://www.cse.iitb.ac.in/~apsys2017/>

ACM HOTOS <https://www.sigops.org/hotos/hotos17/>

BigDataCloud <http://www.irisa.fr/kerdata/bigdatacloud/2016/>

FAST <https://www.usenix.org/conference/fast15>

HotStorage <https://www.usenix.org/conference/hotstorage15>

PELGA <https://sites.google.com/site/pelga16/>

PLOS <http://sigops.org/sosp/sosp11/workshops/plos/index.html>

LADIS <http://ladisworkshop.org/>

High Performance Graph Data Management and Processing workshop (HPGDMP) <http://hpgdmp.bsc.es/>

Emerging Parallel and Distributed Runtime Systems and Middleware (IPDRM) <http://ipdrm16.github.io/>

IEEE International Workshop on High-Performance Big Data Computing (HPBDC) <http://web.cse.ohio-state.edu/~luxi/hpbdc2016/>

Technical reports
